- more than one person

United Way of Grundy County helps to improve lives through opportunities for giving, advocating, and volunteering. We rally support for local not-for-profit agencies that make an impact, building a stronger community for all.

**MISSION: TO IMPROVE LIVES BY
UNITING THE CARING POWER
OF OUR COMMUNITIES.**

 **GIVE. INVEST IN COMMUNITY**
Give where you live or work. The money stays local. Make a change in our community with results that you can see. United Way of Grundy County provides funding for programs that meet our community's needs and ensures that each contribution makes the greatest impact.

 **ADVOCATE. GET INVOLVED**
United Way and its funded Community Partner Agencies needs individuals who are passionate about education, income, and health to advocate for the Grundy County community.

 **VOLUNTEER. GIVE YOUR TIME**
United Way of Grundy County and its funded Community Partner Agencies work with volunteers to develop the best volunteer opportunities for youth, adults, and seniors.

United Way of Grundy County was founded in 1946 as “Community Chest,” then in 1970, became “United Fund,” and in 2002, became the “United Way.”
